OUR *VALUES*

At by MAVI, we aim to be socially responsible and to support sustainability, being respectful of nature while sharing with all its beauty and promoting Colorful Indonesia.

CORE *VALUES*

At by MAVI, we have a passion for rattan, craftsmanship and sustainability. Rattan gives us endless possibilities because of its unique qualities, its durability and for being one of the most sustainable materials for making furniture. Our mission is to manufacture furniture which can last for decades, both when it comes to design and durability.

All of our furniture is handcrafted using only premium materials. WE have a great passion for wickerwork and care about great craftsmanship. They are handmade in factories in Indonesia, where the wickerwork is tradition-bound craft that has been passed down from generation to generation.

SOCIAL *RESPONSIBILITY*

By MAVI aims to make sure that our furniture is manufacture with utmost respect for the environment and human well-being. Therefore, all the manufactures are certified to the International ISA 14001 and SMEAT standards. These certifications bind us to an environmental policy that will help us improve the working conditions and optimize our use of resources.

All of our furniture is manufactured in factories in Indonesia where the production is committed to a healthy environmental policy and an ongoing focus on improving the working conditions.

SUSTAINABILITY

Recently, rattan has a growing revival. This growth is playing an integral part in the UN's Sustainable Development Goals and the going green awareness. At by MAVI, we are delighted to be contributing to the growth and revival. We are also proud to promote Colorful Indonesia.
